being.**

Profile

Dedicated and passionate yoga practitioner and instructor, certified by The Yoga Institute and recognized by the AYUSH Ministry (YCB Level 1 & 3). With experience teaching both children and women, I offer a holistic approach to yoga that blends traditional wisdom with practical, personalized instruction. My aim is to guide individuals and groups toward wellness and well-being through mindful movement, breath awareness, and meditative practices.

Teaching Experience

***Group Classes:** Regular sessions for ladies and children, customized to different body types and flexibility levels.

- **Mass Yoga Sessions:** Led International Yoga Day celebrations in 2022 & 2023, conducting large-group sessions with structured flow.
- **Private One-to-One Sessions:** Focused instruction with positive feedback from clients.
- **Self-Practice:** A dedicated daily practitioner who teaches from lived experience and continuous learning.
- **Teaching Methodology**
- **Centring:** Each session begins with grounding practices — breath awareness and gentle body awareness — to help students settle in.
- **Warm-Up:** Gentle joint movements, light stretches, and preparatory poses.
- **Asana Flow:** Includes Surya Namaskar, dynamic transitions, and asana sequences for all levels, with clear, step-by-step instruction.
- **Demonstration-Based Learning:** Demonstrating each asana with verbal cues, contradictions, and benefits.
- **Cool Down:** Gentle stretches followed by pranayama (breath work) and meditation for full-body and mind relaxation.

Objective

To offer group or individual yoga sessions that support wellness, flexibility, strength, and mental clarity — helping each participant connect deeply with their inner self through the practice of yoga.
